

How to Support SIBE 2017

Dear Sponsor,

we are pleased to invite You as most prestigious Sponsor of the 7th Italian Society for Evolutionary Biology (SIBE) Congress which will be held at the Department of Sciences of Roma Tre University in Rome (Italy) next August 28-31, 2017. The SIBE Congress is an important meeting where researches focused on the study of Evolution are presented. It is held once every two years and gathers about 100 people from Italy and abroad.

Participants represent a multiplicity of most advanced approaches and cultural interests in population genetics, genomics, anthropology, zoology, botany, ecology, ethology, conservation biology, and other disciplines.

Please find your most convenient sponsorship opportunities below.

Welcome to Rome!

The Organising Committee

- Complimentary registration to the poster session(s) for an additional 2 attendees.

Special donations and more ways to support the SIBE 2017 Congress

It is possible to contribute to the SIBE 2017 Congress by providing materials for the delegates (e.g., bags, pen drivers, pens, block notes, etc.) or for the congress staff (t-shirts). Moreover, you can contribute to the travel expenses of our invited speakers. You can also consider the possibility to provide the SIBE 2017 Organising Committee with food and drinks that can be offered during coffee breaks. If you are unable to exhibit materials at our Congress, but wish to offer support for SIBE 2017 Congress, we ask that you consider a donation to our organization. Donors will be specially recognized in the meeting programme.

Please note:

Shipping and set-up details will be made available once your order has been placed.

How to Support SIBE 2017

Exhibitors are responsible for shipping and customs. Advertising design is responsibility of the ponsor.

Note that on site sale is not allowed inside the University, except for the sale of scientific books and journals. Registration fees are not refundable.

Thank you for your attention, Your support will be greatly appreciated.
